*"A caring community" #knightsofgrit*

Welcome Back!

Welcome to all returning Knights and a warm welcome to all the new students and families joining our fantastic community! It is so exciting to have you join us for the 2018-2019 school year. Allandale has been coined "a caring community" and our slogan is "igKNIGHTing minds since 1967". We are proud to continue this tradition as we move into our 51<sup>st</sup> year together.

Please do not hesitate to introduce yourself to us if we have not met or just stop by and say hello. We would like to take the time to reconnect with you and are thrilled to be back at Allandale. We anticipate an exciting and productive year together!

Sincerely,

Mrs. Hamilton  
Principal

### **Placements for the 2018-2019 School Year**

Each year we are allotted specific staffing to reflect our projected numbers at Allandale Heights. We have previously communicated that JK – grade 8 classes could change in September due to enrolment numbers. At this time, further information is not available; however, it is important to note that classes and/or teachers could be altered. Our staff will be communicating this information but we also ask that you take the time to discuss this with your child(ren). We will communicate this information to families before the Elementary Turn-Around Day on September 25, 2018. We realize change can be difficult, but as a team, we will work through it together.
