ISSUE NO. 5 – January 2018

Principal: Mrs. P. Hamilton

Vice Principal: R. Meraska

Superintendent: P. Murphy

Trustee: J. Cameron

PRINCIPAL'S NOTES:

Welcome back to all of our families. We hope that you enjoyed a wonderful break. The Spirit of giving was alive and well in December! Thank you to our families for contributing to the Christmas Cheer drive once again this year.

It was great to see many of our families join us for our celebrations and performances. We are proud of our great students and we hope that you share our enthusiasm as we watch them learn and develop strong character. We are thankful to our staff for their contributions to these events. Their hard work and dedication to our students and school community is greatly appreciated and valued.

Now that we are back in the swing of things it is a great time to reinforce some important skills for our students. Punctuality and attendance do make a difference. When our students arrive at school prepared and ready to learn they transition into their day with much greater success. Attendance is critical to learning. Gaps in learning due to absences are so difficult to make up. Much of our work with students is a collaborative process. Learning is messy. They need to be here to make mistakes and solve problems in order to learn and grow.

GO KNIGHTS GO!

Provide input on proposed 2018-19 school year calendar

The Simcoe County District School Board (SCDSB) invites public school communities to submit input regarding the proposed school year calendar for next school year (Sept. 2018 to June 2019). Starting Jan. 9, input can be provided by visiting www.scdsb.on.ca, then clicking the link on the 'School Year Calendars' page under the 'Schools' menu. All stakeholders including staff, school council members, parents/guardians, students and members of the school community are invited to provide input. The deadline to submit input is Jan. 31.

Kindergarten registration opens is now open!

Do you (or someone you know) have a child who was born in 2014? If so, it's almost time to register them for Kindergarten in the SCDSB! Beginning Jan. 22, 2018, Simcoe County's public schools will register children for Kindergarten for the 2018-19 school year. Required registration documents include birthdate documentation, proof of address and record of immunization. Visit www.scdsb.on.ca/kindergarten for more information.

WINTER WEATHER

- ✓ Extra mittens/gloves and socks should be in every child's schoolbag every day.
- ✓ Indoor shoes are needed for classroom use. In the winter, outdoor footwear is always removed before entering the classrooms.
- ✓ Students' awareness of road safety must be heightened during this time of icy, narrowed, snow banked roads. Remind them to BE EXTRA CAREFUL while waiting for the bus.

Attend a French Immersion information night; registration opens in January

The SCDSB offers French Immersion (FI) at select schools throughout Simcoe County beginning in Grade 1. The goal of the FI program is to enable students to communicate in French with a high level of proficiency, enabling them to function with ease in both French and English. Upon graduation from the program, students will communicate in French with confidence in a wide variety of real-life situations.

Information sessions take place in January for parents of students in Senior Kindergarten. Information session dates are posted at www.scdsb.on.ca under Programs, French as a Second Language.

The FI online application form will be available from 9 a.m. on Mon. Jan. 22, until 9 p.m. on Wed. Jan. 24, 2018 at www.scdsb.on.ca under Programs, French as a Second Language. While every effort is made to accommodate all FI applications, available space and staffing will determine how many students can be registered. Applications will be processed in the order they are received electronically. Please contact the school if you do not have Internet access at home or require assistance accessing the online application.

Please note that the host sites for FI may change during your child's time in the program, and your child may need to move schools. This may also include splitting the program between two different sites.

School's in for summer at the SCDSB

Are you and your child planning their courses for next school year? Looking for a way to create flexibility in their timetable and earn a credit? Consider summer school!

Each year, the SCDSB offers a variety of summer programs to over 2,000 students. Summer school options include open, college and university level courses from Grades 9 to 12. Courses are offered in-person or online. Interested students can also travel and earn credits with the summer EduTravel program.

Summer school program details can be found on the Learning Centres website at www.learningcentres.com. Current SCDSB students should speak to their guidance counsellor for information and to register. Register now so that your summer school choices align with course selection for next year!

School playgrounds are closed for the winter

Every winter, school playground structures are closed. Students are made aware of this during school hours through announcements and staff reminders during breaks. This may not be well known throughout the community despite signs indicating that playground structures are a winter hazard and are closed. The Canadian Standards Association Regulations make recommendations for the depth of ground cover required to minimize injuries (e.g. sand, pea gravel or wood chips). These surfaces cannot be maintained when the ground freezes. Injuries from falling would be more significant on frozen ground. We strongly recommend that you do not allow your children to play on any structures while the ground is frozen.

RVH Film Festival welcomes student submissions

Barrie's Royal Victoria Regional Health Centre (RVH) has partnered with the Simcoe County District School Board, the Simcoe Muskoka Catholic District School Board and Unity Christian High School to offer students, classes and schools the opportunity to participate in RVH's annual Film Festival in two external categories:

- Kindergarten to Grade 6
- Grade 7 and up

This year's theme is "Making mental health matter - how are you making a difference?" Students and classes are invited to make a two-minute video showing how they promote mental health. The deadline for submissions is Feb. 5, 2018. Voting will take place from Feb. 16 to 26 and those with the winning entries will be invited to an awards ceremony on March 8. Find out more and submit your video at: www.rvh.on.ca/SitePages/rvhfilmfestival.aspx.

Five healthy New Year's resolutions for your family

Some of the top New Year's resolutions across all age groups for 2017 were eating healthy, getting in shape and reducing stress. So, how do you set and achieve a resolution to be healthier? It's been proven that the key to success is setting small goals which require steps towards a larger goal. Here are some New Year's resolutions that families can work on together in 2018:

- spend 30 minutes outside playing together as often as possible, regardless of the weather
- find a place that provides opportunities for the entire family to be physically active together or offers child care and after-school programs
- add physical activity or play time to the calendar, such as scheduling an evening walk or fitness class, with the same commitment as other important meetings
- pick a fun run/walk or 5K to do as a family – sign up, train and participate together
- have more family dinners together and involve children in preparing meals as much as possible

WINTER CONDITIONS

As we experience many variations of weather conditions please note that the school grounds can range from very slushy and wet to icy. This change in conditions can happen very quickly and although our custodians work diligently to clear snow, sand and salt the premises it is important that all students, staff, parents and visitors take extra caution during this time.
